 Ab
I m in your face and

 Bb Gm C
I m here to see it through

Come to claim our rights it s time

 Fm
As our power grows

 Ab
Tryin to stop us shows

 Bb C
(You) Might as well go try n stop time

So you know that we re out there
Swatting lies in the making
Can t move fast without breaking
Can t hold on or life won t change

And our voices ring out, yeah
Took the mask off to feel free
Fought it out in the debris
Now we know that life will change

(Fm Ab Bb)
(Fm Gb Gm C)
(Fm Ab Bb Fm)

Ain t it a shame
I m not a figment of your ailing old mind
I m just as real as
I m just as dangerous
As you, so know you ll find

A taste of your own meds
Fire in every breath
Fire inside your head, your heart

And as your crippled brain
Tries to fight in vain
Your empire will fall apart

And you ll know we were out there
Swatted lies in the making

Your empire for the taking

Fm Gb Gm C

Can't hold on or life won't change

Fm

And our voices rang out, here
