

Happily Ever After Gurren Lagann
Shoko Nakagawa

I don't really play guitar, I just made this chord sheet for a friend :)
Feel free to point out my mistakes so I can fix them!

//Notes:
//Rhythm guitar.
//Sounds good with power chords.
//A dash between chords denotes a very short gap between those chords (eg: C-C).
//Some lead guitar parts are mixed into this as well.
//No chords for the instrumental at the end of the song :(
