

**Rain On Her Parade**  
**Short Stack**

Hey first time submitting song, love this song and this is how i play it, it sounds good to me.

Verse 1 Strum once>

**F** **Bb** **Eb**  
All this love has got me feeling alive

**F** **Bb** **Eb**  
But alive is just a letter without life

**F** **Bb** **Eb**  
And a letter that could do us no better set

**F** **Bb**  
in stone remember me forever, forever.

**F** **Bb** **Eb**  
And she swept me right of my feet

**F**  
And stole my last breath

**Bb** **Eb**  
And I stole her sheets

Strumming

**F**  
And then she confessed I hate you more than

**Bb** **Eb**  
you hate me boy, but I don t give a damn

**F** **Bb**  
So kiss me underwater with your hand

Chorus

**F** **Bb**  
And I don t care about the ambulance,

**Eb**  
nostalgia knows her name

**C** **Bb**  
They call her loner they call her loner

**F** **Bb**  
And I d be ever so inclined one day to rain

**Eb**  
on her parade like I don t know her,

**C**  
like I don t know her.
