A|-----|
E|-----|
```

\*\*\*\*\*GUITAR 2\*\*\*\*\* Adam

Verse (Slighty Distorted)

```
      D      Bm      G      D
I wanna build, buildings high for you
      D      Bm      G      D
But the costs, my god the costs I can t afford you
      Bm      G      D
I always take the wrong way
      Bm      G      D
This is why this love can t stay

      D      Bm      G      D
I wanna change, change the way we always have
```

**D**      **Bm**      **G**      **D**  
And to make different plans, and try not to make desire  
          **Bm**              **G**          **D**  
I always screw it up some way  
          **Bm**              **G**          **D**  
This is why this love can t stay

Chorus                  (Distorted)

**D5**  
    Little by little  
**Bm5**  
    You re gonna hear me cry  
          **G5**                  **D**  
Hear me cry why

Verse

**D**      **Bm**      **G**      **D**  
I wanna smell, smell the way you do  
                  **D**              **Bm**              **G**      **D**  
And wear the clothes, the clothes your friends do  
          **Bm**      **G**              **D**  
I always choose another way  
          **Bm**              **G**          **D**  
This is why this love can t stay

Chorus

**D5**  
    Little by little  
**Bm5**  
    You re gonna hear me cry  
          **G5**  
Hear me cry why

Post Chorus

**D5**  
    And I know that it started somewhere  
**Bm5**  
    And I really like it now  
                          **G5**  
    Yeah I really like it now  
  
    Like it now  
                          **D**  
    Yeah I really like it now

Verse

**D**  
I got a plan  
**Bm G D**  
A plan to get us out of here  
**D Bm**  
If we only can use your money  
**G D**  
We can definatly get out of here  
**Bm G D**  
But I always screw it up someway  
**Bm G D**  
This is why this beautiful love can t stay

Chorus

**D5**  
Little by little  
**Bm5**  
You re gonna hear me cry  
**G5**  
Hear me cry why

Post Chorus

**D5**  
And I know that it started somewhere  
**Bm5**  
And I really like it now  
**G5**  
Yeah I really like it now  
  
Like it now  
**D5 Bm5**  
And when we started we started from there  
  
And you were very loud  
**G5**  
You were very loud  
  
I really like that  
**D**  
I really like that
