

**Youre Mine**

**Show of Hands**

[D]In the[Bm] sun burnt fields I[G] saw you and my [C]world span a[D]round  
[D]Thought to my[Bm]self I am [D]falling  
Then I [C]walked through [G]town  
[A]I found you at the [G]end of the day [A]we lay down by the [D]edge of the bay  
[A]One breath of the [G]sea  
[A]One taste of the[G] brine  
[A]And I was [G]yours [A]and you were[Bm] mine

[D]Then it [Bm]came to all the [G]distance  
And the [C]days in [D]between  
[D]We fell so deep into the [Bm]space of what we [C]say and we [G]mean  
[A]Full of fears there s a [G]price to pay  
[A]I close my eyes and I m [D]in that day

[A]One breath of the [G]sea  
[A]One taste of the[G] brine  
[A]And I was [G]yours [A]and you were[Bm] mine

[D]Oh my [Bm]love I was [G]drowning in [C]sight of the [D]shore  
[D]You brought me [Bm]round you re-[D]-vived me  
And [C]now I want [G]more  
[A]Of the fishes and the caves a-[G]-tumbling down  
[A]The tides and the waves are[D] throwing me around

[A]And I m caught in the [G]nets [A]and you re in the ropes and the [G]lines  
entwined  
[A]But I m [G]yours and [A]you re [Bm]mine
