Chords: **D G A F#m**

[intro:]

D G D A
D G A

D* **A***
Has the man got you down? No revolution lies ahead
D* (G) (F#m) **A**
Working at a register till all day - Well it makes you want to kill
D **A**
But there s no blood to be found on the street outside, or in a retail chain
D (G) (F#m) **A**
Instead steal goods from the stockroom each and each and every day

[chorus:]

A **G**
They re stealing all your time
F#m **D**
So what are you gonna do?
A **G**
Rip em off, Rip em off
F#m **D**
Cause they re doing it to you

Rows and rows of cubes and desks sapping all your energy
Always watching you like a hawk, no way to get away
They think you should be honored to be working in the their office world
Instead steal all their trade secrets and sell them to another firm

[chorus]

[bridge:]

G\F#\E\D A

Assembly line work on the factory floor, packing cartons eight to six
Forty years all ahead of you, conditions make you sick
Put a dead rat in a can a day, while the foremans turned around
Consumers will all soon revolt, and drive the business into the ground

[chorus]
