**C# F# G#**

**C#\*** **G#\***  
Has the man got you down? No revolution lies ahead  
**C#\*** **(F#)** **(Fm)** **G#**  
Working at a register till all day - Well it makes you want to kill  
**C#** **G#**  
But there s no blood to be found on the street outside, or in a retail chain  
**C#** **(F#)** **(Fm)** **G#**  
Instead steal goods from the stockroom each and each and every day

[chorus:]

**G#** **F#**  
They re stealing all your time  
**Fm** **C#**  
So what are you gonna do?  
**G#** **F#**  
Rip em off, Rip em off  
**Fm** **C#**  
Cause they re doing it to you

Rows and rows of cubes and desks sapping all your energy  
Always watching you like a hawk, no way to get away  
They think you should be honored to be working in the their office world  
Instead steal all their trade secrets and sell them to another firm

[chorus]

[bridge:]

Assembly line work on the factory floor, packing cartons eight to six  
Forty years all ahead of you, conditions make you sick  
Put a dead rat in a can a day, while the foremans turned around  
Consumers will all soon revolt, and drive the business into the ground

[chorus]
