C# F# G#

C#* **G#***
Has the man got you down? No revolution lies ahead
C#* **(F#)** **(Fm)** **G#**
Working at a register till all day - Well it makes you want to kill
C# **G#**
But there s no blood to be found on the street outside, or in a retail chain
C# **(F#)** **(Fm)** **G#**
Instead steal goods from the stockroom each and each and every day

[chorus:]

G# **F#**
They re stealing all your time
Fm **C#**
So what are you gonna do?
G# **F#**
Rip em off, Rip em off
Fm **C#**
Cause they re doing it to you

Rows and rows of cubes and desks sapping all your energy
Always watching you like a hawk, no way to get away
They think you should be honored to be working in the their office world
Instead steal all their trade secrets and sell them to another firm

[chorus]

[bridge:]

F#\F\Eb\C# G#

Assembly line work on the factory floor, packing cartons eight to six
Forty years all ahead of you, conditions make you sick
Put a dead rat in a can a day, while the foremans turned around
Consumers will all soon revolt, and drive the business into the ground

[chorus]
