

Dont Be Shy
Shwayze

i noticed this song hasnt been tabbed yet soo...

this is my first tab!

This song is incredibly easy, and took me only like 20 minutes to get it..its just hard hear the guitar cuz of the bass and lyrics over it..but on youtube i found an acoustic of them

(<http://www.youtube.com/watch?v=14wEjvYlwj0>)

and these are the chords for this song..enjoy!

(use only bar chords - it sounds better)

G
Come, come summertime
D **Am**
love, love hold my hand

G
Come, come summertime
D **Am**
love, love take a ride with me

G
Sweet little nectarine
D
sit down next to me, take a load off
Am
Manny i think your beautiful
C
DO ah diddy diddy dum diddy do
G
when the moon is full ill be your wolf,
D
howl at you and growl at you
Am
lady bugs and flower too
C
I wanna go out with you

etc...

enjoy!
