E

I ve been drinkin

B

but I feel fine

C#m

I ve been thinkin

A

you should be mine

E

for the weekend

B

or a long time

C#m

A

E

baby you could you could be my girl

B

C#m

you could be my girl

A

E

you could be my girl

B

C#m

and I could be your man

(you could be my)

You make my heartbeat stop like a beatbox
I try to pump it back up like some Reeboks
if love is a drug I need a detox
cuz you get me higher than the treetops
and i can see it all from here
got my head up in the clouds but its all so clear
hear my dear, take a look in the mirror
you re lookin at the reason I m a killer this year

Chorus:

I ve been drinkin

but I feel fine

I ve been thinking

you should be mine

for the weekend

or a long time

baby you could you could be my girl

you could be my girl

you could be my girl

and I could be your man

Will you be my senorita

real drunk love margarita

take a long walk by the seaside

working real hard for you to be my

you could be sunray on a summer day

you could be my sea spray

take my breath away

you could be everything girl

everything

and I could be your everything girl everything (everything)

Chorus:

I ve been drinkin

but I feel fine
I ve been thinking
you should be mine
for the weekend
or a long time
baby you could you could be my girl
you could be my girl
you could be my girl
and I could be your man
(you could be my)
