Without a sound ever heard

You are foolish and diluted

Too many lies have you burned

**Em F° F# Bm**  
Where there s eyes to be found  
**Em F° F# Bm**  
This seems life s underground  
**Em F° F# Bm D9**  
But even if you had it all you would find

I could never let you stay

Cause you blow it all awa\_\_\_\_\_ay  
**D F# Bm F# G**  
You blow it all awa\_\_\_\_\_ay

**Bm F# G D F#**  
Yes I see it yes I feel it  
**Bm F# G D F#**  
You have no oppressions at all

**Em F° F# Bm**  
But if life is truly devoured  
**Em F° F# Bm**  
I ll strip your bare till the truth comes out

But even if you had it all you would find
