Sia

**F#m** **B**  
Look at me I m such a basket case  
**D** **A**  
Delivered to you wrapped in cellophane  
**F#m** **B**  
Waiting on your doorstep, out your day  
**D** **A**  
Delivery, a basket filled with pain

**F#m** **B**  
Patience is your virtue, saint o mine  
**D** **A**  
I d have fallen through the cracks without your love tonight  
**F#m** **B**  
I m your groundhog, and I m skating on thin ice  
**D** **A**  
But you see me at your feet and carry me inside

**F#m** **B** **D** **A**  
Watch the blood pump through my veins  
**F#m** **D** **A** **B**  
Electricity floods my brain  
**F#m** **D**  
Can t hide the pain  
**A**  
Can t hide the pain  
**B** **F#m**  
When you re wrapped in cellophane

**F#m** **B**

**D** **A**

**F#m** **B**

**D** **A**  
Youll watch as all my thoughts get right back on the train
