[Intro]

G Dm F C

G Dm F C

[Verse]

G Dm F C

We had love so strong my heart couldn't take it

G Dm F C

You took it in your hands and resuscitate it

G Dm

You said Me and you against the world

F C

You said You and me forever girl

G Dm N.C.

I felt every cell fall in love with you but...

[Pre-Chorus]

Dm F C G

I watched you slip, slip away, no explanation

Dm F C G

You on your phone, you're locked up in your Playstation

Dm F C G

I stared at the diamond on my finger and I waited

Dm F C G

But the truth never came, but I know her name, so see you later

[Chorus]

Am G C F

No I won't miss you, I won't cry, I don't regret it

Am G C F

No I won't stand for it, no I don't need confetti

Am G/B C F

And you can treat another to your lies, you'll never give in

Am G N.C.

I'd rather walk alone than let them throw dirty confetti

Am G C F

I'd rather walk alone, I'd rather walk alone

Am G C F N.C.

I'd rather walk alone than let them throw dirty confetti

[Verse]

G Dm F

You don't wanna hurt my pride but I'm here dyin

C

But all of that s ego

G Dm F

And the house we lived in had no doors

C

And it had no windows

G Dm

You said, I m hangin with the boys

F C

You said Workin late to pay our bills

G Dm F

But I found lipstick on your collar, wasn t my color

[Pre-Chorus]

Dm F C G

I watched you slip, slip away, no explanation

Dm F C G

You on your phone, you re locked up in your Playstation

Dm F C G

I stared at the diamond on my finger and I waited

Dm F C G

But the truth never came, but I know her name, so see you later

[Chorus]

Am G C F

No I won t miss you, I won t cry, I don t regret it

Am G C F

No I won t stand for it, no I don t need confetti

Am G/B C F

And you can treat another to your lies, you ll never give in

Am G C F

I d rather walk alone than let them throw dirty confetti

Am G C F

I d rather walk alone than let them throw dirty confetti
