

Electric Bird
Sia

F **A**
Someone plugged you in
Dm **G**
And sadly they clipped your wings
C **Bb**
Now you can't fly away electric bird
F **A**
Yeah someone took your tweet
Dm **G**
One day they fed you that bad seed
C **Bb**
You can't fly away electric bird

Dm **E** **Am**
Well you're aaaaaaart, you fell into this part
A7 **Dm** **E**
You play the victim perfectly holding your beating heart
Am
You used to be so smart
A7
You fluttered round the yard making your magic

F **A** **Dm** **G**
Got to set you free, you were blinded by deceit
C **Bb**
You can't fly away electric bird
F **A**
So now this room's all staged
Dm **G**
While you're stuck there in that cage
C **Bb**
You can't fly away electric bird

Dm **E** **Am**
Well you're aaaaaaart, you fell into this part
A7 **Dm** **E**
You play the victim perfectly holding your beating heart
Am
You used to be so smart
A7
You fluttered round the yard making your magic
