

Fire Meet Gasoline
Sia

E **B9**
It s dangerous to fall in love
Dbm **A9**
But I want to burn with you tonight
E
Hurt me
B9
There s two of us
Dbm
We re bristling with desire
A9
The pleasure s pain and fire

Burn me

PRÉ REFRÃO
So come on
B9
I ll take you on, take you on
Dbm
I ache for love ache for us
A9
Why don t you come
B9
Don t you come a little closer

So come on now
B9
Strike the match, strike the match now
Dbm
We re a perfect match, perfect somehow
A9
We were meant for one another
B9
Come a little closer

REFRÃO
E **B9**
Flame you came to me
Dbm
Fire meet gasoline
A9
Fire meet gasoline
E
I m burning alive
B9
I can barely breathe

Dbm

When you re here loving me

A9

Fire meet gasoline

E

Fire meet gasoline

B9

I got all I need

Dbm

When you came after me

A9

Fire meet gasoline

E

I m burning alive

B9

And I can barely breathe

Dbm

When you re here loving me

A9

Fire meet gasoline

E

Burn with me tonight

E B9 Dbm A9

And we will fly

Like small sparks in the skies

I mean I want to try and

Take a bite

PRÉ REFRAÃO

REFRAÃO

B9

But it s a bad death

Certain death

Dbm

But I want what I want

And I got to get it

A9

When the fire dies

Dark in the skies

Dbm

Hot as a match

Only smoke is left

B9

But it s a bad death

Certain death

Dbm

But I want what I want

And I got to get it

A9

When the fire dies

Dark in the skies

Dbm

Hot as a match

B9 E

Only smoke is left

REFRÃO

Burn with me tonight

Burn with me tonight

Burn with me tonight

Eh eh
