

Guts Over Fear (feat. Eminem)
Sia

F
Feels like a close, it s coming to
Dm
Fuck am I gonna do?
Am **G**
It s too late to start over

This is the only thing I, thing I know

(**F Dm Am G**)

F
I was a...
G
Afraid to make a single sound
Am
Afraid I would never find a way out, out, out
C
Afraid I d never be found
F
I don t wanna go another round
G
An angry man s power will shut you up
Am
Trip wires fill this house with tiptoed love
C
Run out of excuses for everyone
F Dm
So here I am and I will not run
F G Am Dm
Guts over fear, the time is near
F G Am Dm
Guts over fear, I shed a tear
F G
For all the times I let you push me round
Am Dm
And let you keep me down, now I ve got
F G Am
Guts over fear, guts over fear
