

I Go To Sleep
Sia

D **F#m**
When I look up from my pillow
Bm
I dream you are there with me
D
Though you are far away
F#m **Bm**
I know you ll always be near to me

F#m **C#**
I go to sleep
Bm
And imagine that you re there with me
F#m **C#**
I go to sleep
Bm
And imagine that you re there with me

D
I look around me
F#m **Bm**
And feel you are ever so close to me
D **F#m**
Each tear that flows from my eye
Bm
Brings back memories of you to me

F#m **C#**
I go to sleep
Bm
And imagine that you re there with me
F#m **C#**
I go to sleep
Bm
And imagine that you re there with me

Bb
I was wrong, I will cry
F
I will love you till the day I die
Bb
You were all, you alone and no one else
A **A7**
You were meant for me

D

When morning comes again

F#m **Bm**

I have the loneliness you left me

D

Each day drags by

F#m **Bm**

Until finally my time descends on me

F#m **C#**

I go to sleep

Bm

And imagine that you re there with me

F#m **C#**

I go to sleep

Bm

And imagine that you re there with me
