Intro: **Am G F E7** (2x)

Am G F
Well you were waiting for me, you saw me, adored me

E
As I wish the whole world would

Am G F
You would never hurt me, desert me or work me

E
For all the things you thought you could

Am G F
Yeah you would lick the tears from my eyes when I cried

E
Oh how I missed you when I was gone

Am G F E
Hurt me so to leave you deceive you I needed you, I believed in you

C Gadd11 Am
Oh I I never meant to let you down

F7M C
I ll wait with the stake in my heart

Gadd11 Am
I never meant to put you down

F7M E7 C
I m trying not to fall apart

Am G F
Now all I have is riches and pictures and stitches

E
Money could never buy what you gave

Am G F
And though my heart is aching and breaking I m making

E
The most of what you send my way

Am G F
Now I want just to hold you, unfold you, I told you

E
See I am coming back for you

Am G F
Yeah I know we will be ok every day the sun

E
Shines a little brighter
