

**This Shit**  
**Sia**

**D A C**  
Oh there is life after death  
**G A C**  
The death of all those parts of you  
**G**  
You thought you needed  
**D A C**  
And there is sweetness left  
**G D A**  
You thought that none would survive  
**G**  
You were so bitter  
**D A C**  
But you will taste again  
**G D G**  
No you will not stay numb for long  
**D**  
I ll pinch you  
**A**  
And after all the tears  
**C G**  
There will be laughter too

I promise

Although it may not feel like it

And you will love again
