

Where I Belong
Sia

i worked it out by ear so hopefully its correct! :) Sounds alright to me!
Enjoy!

Verse:

Without truth
We lose
Yet we want to spare the feelings of those
we love
Don t cry
We ve all lied
But there is always room for forgiveness
my friend

Chorus:

So don t treat me bad just be glad I am strong
I know where I belong
And soon you will see we are blessed and complete
There s a place here for you with me

Verse: (Same chords as first verse)

Shine
You re fine
See I will always have a smile for you my love
And still
We will
Be ok and along the way we ll learn a thing or two

Chorus repeats over until song finishes :)
