Bm, G, A x4

Verse:
```
Bm  G       A                   Bm         G  A
Sleep the city lights are lonely
Bm  G           A                   Bm         G  A
Wake with the stars that came before me
Bm                          G
Dream a dream a dream a dream
           A                     Bm  G A
Will you dream a dream for me
Bm              G               A                       Bm    G A
I lie awake in my bed with the stars to comfort for me
```

Chorus:
```
G
And it hurts so bad

It hurts so bad
         A
When it hits my head

It hits my head you know
Bm
I just cant sleep

I just cant sleep
                                G
I just cant sleep, why cant I feel like that
A
Yeah
```

When it hits my head

It hits my head you know
Bm
I just cant sleep

I just cant sleep
                              G
I just cant sleep, why cant I feel like that
Bm
Oh oh oh, yeah
G
And it hurts so bad

It hurts so bad
          A
When it hits my head

It hits my head you know
Bm
I just cant sleep

I just cant sleep
                              G
I just cant sleep, why cant I feel like that
A
Yeah

```

```
You know your yesterdays they couldve been a better shade
        G                              A  D
You know I never had those words to say
      A           Bm, G, A       D, A
Im sorry, so sorry...
Bm
No you did it all the time and you never, never took the time and it hurts

so bad

Chorus:

G
And it hurts so bad

It hurts so bad
        A
When it hits my head

It hits my head you know
Bm
I just cant sleep

I just cant sleep
                                    G
I just cant sleep, why cant I feel like that
A
Yeah, oh oh oh
