

**All The Same  
Sick Puppies**

This is written for a solo acoustic performance with as much of the cool walks as possible.

The only recommendation I can give is hammer from the Asus2 to Amin on the chorus and the Asus4 in the solo.

intro:

**C C**

**C**

I dont mind where you come from

**Em**

As long as you come to me

**Am**

But I dont like illusions

**F**

I cant see Them clearly

C

I dont care, no I wouldnt dare

Em

To fix the twist in you

Am

You ve shown me eventually what

F

you ll do

You ll just come back running

C Cadd9 Cadd11 C

Holding your scarred heart in hand

G Gsus2 Gadd9 G

It s all the same

Asus2 Amin Asus4 Amin

And I ll take you for who you are

F F7 F13 F

If you take me for everything

C Cadd9 Cadd11 C

And do it all over again

G Gsus2 Gadd9 G

It s all the same

C C

C

Hours slide and days go by

Em

Till you decide to come

Am

But in-between it always seems too long

F

all of a sudden

C

But I have the skill, yeah, I have the will

Em

to breath you in while I can

Am

However long you stay

**F**

is all that I am

**F5 C5**

I dont mind

**F5 C5**

I dont care
