

Anywhere But Here
Sick Puppies

I m not sure if this is exactly 100% or not, but it s pretty close.
I m pretty positive the chords are correct though.
Please let me know of any corrections.
This is one of my favorite Sick Puppies songs!

VERSE 1:

AM **G**
I held onto you for as long as I could but today

You fell away
C **Em**
Now what I hold are the memories we barely made

My confusion left me fast as the vertigo came

Am **G**
What I believed to be true it was only a dream
F
Believed in me

I just projected it over your beautiful screen

I self medicated my way through this mess that we made
F
So I could stay
C
There was nothing, but I waited

I waited

Am **F**
This was my mistake
