Intro: **C# C#maj7 C# C#maj7**

**C#**

There's a thousand miles between us

**C#maj7**

As I feel your breath on my skin

**C#**

There are so many things I want to say

**C#maj7**

But I don't know how to begin

**C# Bbm**

I want to connect with you

**F#**

Over the oceans and back to the truth

**C# Bbm F#**

I want to connect with you Ooh ooh ooh ooh

**C#**

I'm standing right beside you

**G#**

Screaming in my head

**Bbm**

I don't know how to reach you

**F#**

I shut down instead

**C# Bbm F# G#**

When all I want to do is connect with you

Intro: **C# C#maj7 C# maj7**

**C#**

The silence is defining

**C#maj7**

Your heartbeat's been heard from next door

I knock but no answer

You know I've never done this before

**C# Bbm**

I want to connect with you

**F#**

Over the oceans and back to the truth

**C# Bbm F#**

I want to connect with you ooh ooh ooh ooh

I'm standing right beside you

**G#**

Screaming in my head

**Bbm**

I donâ€™t know how to reach you

**F#**

I shut down instead

**C# Bbm F# G#**

When all I want to do is connect with you

Intro x2

**C#**

Distance can be measured by

**Bbm F#**

The pain you feel inside your heart

**C#**

We could be together

**Bbm F#**

Or be five million miles apart

But that wouldnâ€™t stop me

**C# Bbm**

I want to connect with you

**F#**

Over the oceans and back to the truth

**C# Bbm F#**

I want to connect with you ooh ooh ooh ooh

**C#**

Iâ€™m standing right beside you

**G#**

Screaming in my head

**Bbm**

I donâ€™t know how to reach you

**F#**

I shut down instead

**C# Bbm F# G#**

When all I want to do is connect with you
