

Poison

Sick Puppies

**A** **Esus2**  
Here I sleep with one eye open  
**Bm** **G**  
While you re dreaming next to me  
**A** **Esus2**  
Well at least I gave up hoping  
**Bm** **G**  
Some kind of miracle would set me free  
**Bm**  
Starting over  
**G**  
God only knows where we ve been  
**Bm**  
Starting over  
**G**  
Is not an option

**D** **A** **Bm** **A**  
You re like poison on my tongue  
**G** **A**  
So bittersweet, but I like it, I love it  
**D** **A** **Bm** **A**  
Poison on my tongue  
**G** **A**  
And it keeps killing me, but I like it, I love it

**D A Bm G**

(Verse chords)  
Here s a pill  
Why don t we take it  
Cause I heard it makes it all okay  
And wait until we both are naked  
Save the bullshit for another day

(Prechorus chords)  
Starting over  
God only knows where we ve been  
Starting over  
Is not an option

(Chorus chords)  
You re like poison on my tongue  
So bittersweet, but I like it, I love it  
Poison on my tongue  
And it keeps killing me, but I like it, I love it

**D** **A**  
You make me wanna jump off a ledge  
**Bm** **A**  
Find a new life, come back from the dead  
**G** **A**  
Do it again, do it again, do it again  
**D A Bm A** **G** **A**  
Poison, and it keeps killing me, but I like it, I love it

**D** **A** **Bm** **A**  
On my tongue  
**D A** **Bm A**  
Like poison on my tongue  
**D A Bm A**  
She s like poison

She s like poison!

**E B C#m A** x2

**E B** **C#m** **B**  
She s like poison on my tongue  
**A** **B**  
So bittersweet, but I like it, I love it  
**E B** **C#m** **B**  
Poison on my tongue  
**A** **B**  
And it keeps killing me, but I like it, I love it

Outro: C G Am F (until the end of the song)
