

Where Did The Time Go
Sick Puppies

C **G**
Tomorrow is ending as fast as Iâ€™m spending
Am **G**
Most days Iâ€™m pretending Iâ€™m hyper extending
C **G**
All my dreams and all my uncertainties
Am **G**
Onto a speeding train

Am
Where does the time go
C
And what have I done
F
The days keep getting shorter
C
But Iâ€™m still on the run
Am
Iâ€™m losing the battle
C
I live in the shadows
F
Where did the time go
C
Hell if I know

C **G**
The summerâ€™s a shorter, my sisterâ€™s older
Am **G**
She cries on shoulder, Iâ€™m crossing the border
C **G**
With all my dreams and all my uncertainties
Am **G**
Onto a speeding train

Am
Where does the time go
C
And what have I done
F
The days keep getting shorter
C
But Iâ€™m still on the run
Am
Iâ€™m losing the battle
C

I live in the shadows

F

Where did the time go

C

Hell if I know

Am

Eyes closed

C

F

Iâ€™m remembering why people come and go

G

Am

Like dominos the days keep passing by

C

F

I realize I never learned how to fly

G

C

G

Is there still time, is there still time

Am

Where does the time go

C

And what have I done

F

The days keep getting shorter

C

But Iâ€™m still on the run

Am

Iâ€™m losing the battle

C

I live in the shadows

F

Where did the time go

C

Hell if I know

F

Where did the time go

C

Hell if I know
