

## Keep Making Me Sidewalk Prophets

This is tuned exactly to the CD. It was personally too low for me so I typically change it to C. Hope you enjoy! :)

**F**

Make me broken  
So I can be healed

**Dm**

â€™Cause Iâ€™m so calloused  
And now I canâ€™t feel

**C**

I want to run to You

**Bb**

With heart wide open

**F**

Make me broken

**F**

Make empty  
So I can be filled

**Dm**

â€™Cause Iâ€™m still holding  
Onto my will

**C**

And Iâ€™m completed

**Bb**

When you are with me

**F**

Make me empty

[Chorus:]

**F Bb F C**

â€™Til You are my one desire

**F Bb C**

â€™Til You are my one true love

**F Bb Dm C**

â€™Til You are my breath, my everything

**Bb C F**

Lord, please keep making me

**F**

Make me lonely  
So I can be Yours

**Dm**

â€™Til I want no one  
More than You, Lord

**C**

â€˜Cause in the darkness

**Bb**

I know You will hold me

**F**

Make me lonely
