

**Keep Making Me  
Sidewalk Prophets**

This is tuned exactly to the CD. It was personally too low for me so I typically change it to C. Hope you enjoy! :)

**G#**

Make me broken  
So I can be healed

**Fm**

â€™Cause Iâ€™m so calloused  
And now I canâ€™t feel

**Eb**

I want to run to You

**C#**

With heart wide open

**G#**

Make me broken

**G#**

Make empty  
So I can be filled

**Fm**

â€™Cause Iâ€™m still holding  
Onto my will

**Eb**

And Iâ€™m completed

**C#**

When you are with me

**G#**

Make me empty

[Chorus:]

**G# C# G# Eb**

â€™Til You are my one desire

**G# C# Eb**

â€™Til You are my one true love

**G# C# Fm Eb**

â€™Til You are my breath, my everything

**C# Eb G#**

Lord, please keep making me

**G#**

Make me lonely  
So I can be Yours

**Fm**

â€™Til I want no one  
More than You, Lord

**Eb**

â€˜Cause in the darkness

**C#**

I know You will hold me

**G#**

Make me lonely
