

This Is Not Goodbye
Sidewalk Prophets

C **Am**
I can see it in your eyes that you are restless
F **G**
The time has come for you to leave
C **Am**
Itâ€™s so hard to let you go but in this life I know
F **G**
You have to be who you were made to be
Am **F**
As you step out on the road Iâ€™ll say a prayer
Am **G**
So that in my heart you always will be there

[Chorus]

C **C/G** **F**
This is not goodbye
Am
I know weâ€™ll meet again
G
So let your life begin
C **C/G** **F**
â€™Cause this is not goodbye
Am **G**
Itâ€™s just â€œI love youâ€• to take with you
F **C**
Until youâ€™re home again
C **Am**
The stirring in your soul has left you wondering
F **G**
Should you stay or turn around
C
Am
Well, just remember that your dreams they are a promise
F
That you were made to change the world
G
So donâ€™t let fear stop you now â€™cause

[Chorus]

Am
I know the brightest star above
F
Was created by the One who loved
Am
More than weâ€™ll ever know
G

To guide you when youâ€™re lost

Am

What started as a still, small voice

F

Is raging now and your only choice

Am

Is to follow who you are

G

So follow who you are â€˜cause

This is not goodbye

I know weâ€™ll meet again

Oh

[Chorus]
