

**This Is Not Goodbye**  
**Sidewalk Prophets**

**Bb** **Gm**  
I can see it in your eyes that you are restless  
**Eb** **F**  
The time has come for you to leave  
**Bb** **Gm**  
It's so hard to let you go but in this life I know  
**Eb** **F**  
You have to be who you were made to be  
**Gm** **Eb**  
As you step out on the road I'll say a prayer  
**Gm** **F**  
So that in my heart you always will be there

[Chorus]

**Bb** **Bb/G** **Eb**  
This is not goodbye  
**Gm**  
I know we'll meet again  
**F**  
So let your life begin  
**Bb** **Bb/G** **Eb**  
'Cause this is not goodbye  
**Gm** **F**  
It's just 'I love you' to take with you  
**Eb** **Bb**  
Until you're home again

**Bb** **Gm**  
The stirring in your soul has left you wondering  
**Eb** **F**  
Should you stay or turn around  
**Bb**  
**Gm**  
Well, just remember that your dreams they are a promise  
**Eb**  
That you were made to change the world  
**F**  
So don't let fear stop you now 'cause

[Chorus]

**Gm**  
I know the brightest star above  
**Eb**  
Was created by the One who loved  
**Gm**  
More than we'll ever know  
**F**

To guide you when youâ€™re lost

**Gm**

What started as a still, small voice

**Eb**

Is raging now and your only choice

**Gm**

Is to follow who you are

**F**

So follow who you are â€˜cause

This is not goodbye

I know weâ€™ll meet again

Oh

[Chorus]
