

Just Got Paid
Sigala

Sigala, Ella Eyre ft. French Montana & Meghan Trainor

[Pre-Chorus]

I should grow up some day cause I got bills to pay
I can t be waking up at someone else s place
I know I drink too much, can t pay my rent this month
I should be saving up, but

[Chorus]

I just got paid
I m broke, but I m ballin
Don t know where we re going
We go in when we go out
I just got paid
I m broke, but I m ballin
Don t know where we going
We go in when we go out
I just got paid

[Verse]

Well it feels like every day s a holiday
So I can t take my cheque to the bank
