I can climb all the mountains you want, but still I cannot see.
E **Am7**
I can be anything you want, except something like me.

I can pretend that I do not care, when really I do.
E **Am7**
I can still hang around if you want, but it won?t be for you.

E
Am7
All the things in the world they all come, and they go in a flash. **Am7**
E **Am7**
All the people you meet you can lose and not find your way back. **Am7**
E **Am7**
All the things that you love, you can see yet never understand. **Am7**

If I find that my heart has been lonely ? divided to ten.
