

**Sucker Punch**  
**Sigrid**

The chords below work best on piano. See this video:

On guitar this song works best if you transpose these chords 2 half steps down and a capo on the 2nd fret

And play A# as follows: 688766

[Intro]

D C 2x

[Verse 1]

                  D          C  
Meet me in the hallway  
                          D                  C  
For a cup of coffee by the stairs  
                  D          C  
We re both in a hurry  
  D                  C  
Let s steal a minute when there s no one there  
D          C  
Both our hoodies red  
D          C  
You re in my head

[Verse 2]

                  D          C  
Yeah, there s no pressure  
                          D                  C  
At least that s what we always said  
                  D          C  
I was keeping it together  
                  D          C  
I guess I didn t understand  
D          C  
That I fell for you  
D          C  
I lost my cool

[Chorus]

                  D  
It hit me like a sucker punch  
                          Am7  
Just one look and I m out of touch  
  G  
I m freaking out cause I m scared this might end bad  
Em7

But I ll still come back for that

**D**

Sucker punch

**Am7**

Just one look and I m out of touch

**G**

I m freaking out cause I m scared this might end bad

**Em7**

But I ll still come back for that

N.C.

[Verse 3]

**D**

**C**

I try to come up with the bad things

**D**

**C**

Didn t wanna write a happy song

**D**

**C**

You ve got only good reactions

**D**

**C**

So I don t wanna be the one to

**D**

**C**

Fuck this up, I swear

**D**

**C**

Out of nowhere

[Chorus]
