G	C	G	C
This is me with another nervous breakdown			
G	C		
My pressure dropped, this body went with it

Memory fails, I m feeling claustrophobic			
D#	F4		
I scream my silent pain in this big plain			
G	C		
There s no one here			
G	C		
Tell me who is there now			
	G		
Who is there with you			

G	C
I m taking no calls unless it s her voice	
G	C
I m seeing no one unless it s her	
D#	F4
I open the mailbox every hour	
G	C
Maybe I ll hit the postman	
G	
I want to here some love words	
C	
But not in that dyslexic voice	
G	
No I won t tear apart for you	
C	riff 1
But I was given no choice	
D	--5-5-5-5-5-5-5-----
A	--5-5-5-5-5-5-5-----
E	--3-3-3-3-3-3-3-----

---Chorus-----

C Em7
 I guess I was trying to keep me alive
 D Em7
 But once I was dead there was nothing to do beside
 C Em7
 Picking me up, lying me down
 D
 Waiting for some angel
 Em7
 To wake me and say to me:
 G Em7 D C G Em7 D C
 Hello. Don't be scared. I want you to know, you're not dead.
 G D
 Kiss me is this a dream?
 C
 Should I believe it?
 G D
 Please promise to me that I'm not going to get hurt this time
 C Em7 D Em7
 Hello...Hello...
 G C G
 Am I too good for you, am I just paranoid?
 C D#
 Should I get clinical or should I speak louder?
 F4
 Maybe I should close my eyes for years
 G C G
 And wait for the strongest feeling
 C
 Out of all of the feelings
 G
 to raise
 C
 from
 G
 you.

Many years ago I have this dream about this girl that came flying into my window
 and whispered in my ear: You're my boy.

-Chorus-

C Em7 D Em7
 Am I real? Are you real? Is this real? What's real?
 Am I real? Are you real? Is this real? Tell me, what's real?
