

**Empty Happy Song**

**Silence 4**

Verso 1:

**F**            **D#**                            **Gm**  
Being alone, i ve been alone  
so gone, so long that i got tired of it  
**F**    **D#**                            **Gm**  
there s something wrong, i can t recall  
the last, the first time that i felt happy

**Bb**                            **F**                            **D#**  
So you came up with this song  
To sing a long and make us all pretty  
**Bb**                            **G#**                            **Gm**  
My love will never let me go , so i ll just get

Bridge:

**F**                            **Bbm**                            **Dm**                            **D#**  
Back in the world today i ll find a meaning and a way to feel  
**Gm**                            **C**  
Brighter then the sun

2º verso, acordes iguais ao do 1º:

Another pill, Tells me i m strong  
So strong, so strong to still believe in it  
Whatever i need i need to believe  
my faith is weak and gets me even more sick

So you come up with this song  
To fool your heart and blind it till you cant see  
How long have you been this gone, so i ll just

2ª Bridge, acordes iguais à da 1ª:

Grab some words to say Without a meaning Just a way of forgetting  
That i m all alone, Like a

Refrão:

**F**                            **Bbm**                            **Dm**                            **D#**  
New year s eve party Where i am obliged to be happy  
**Gm**                            **C**  
May the new year come, with the  
**D#**                            **C**                            **F**  
Song, an Empty happy song, to make my life so right for me

3ª Bridge, acordes iguais à 1ª:

So you come up with this song To shout and Force  
yourself to believe  
Though we all know you re not that strong

Interlúdio:

**F** **Bbm**  
Tired of so much pain of living,  
**Dm** **D#** **Gm** **C**  
in this cloud of rain i need something to go on  
**F** **Bbm**  
I ve ran out of anesthetics  
**Dm** **D#**  
i m becoming so pathetic  
**Gm** **C**  
If you got nothing to hang on  
  
You re not alone.....

**F** **Bbm** **Dm** **D#**  
Live Die Cry Tonight  
**Gm** **C**  
let tears fall down your face and laugh  
**F** **Bbm**  
Don t wast your last words on sorrow  
**Dm** **D#**  
live like there is no tomorrow  
**Gm** **C**  
and may we all be one, in this

2º Refrão:

**D#** **C** **F**  
Song, An empty happy song to keep us smiling instantly  
**Bbm** **F**  
Become what we would like to be  
**Bbm** **F**  
Indulge ourselves to believe  
**Bbm** **F**  
And though we ll never ever be  
**Bbm**  
We pretend that we all can be.....

Free. ( acaba com um simples acorde de piano, que poderás tocar na guitarra com um F melódico )
