

Goodbye tomorrow  
Silence 4

Intro C Am C D1 - C Am (2x) - C Am (4x) C

Am C

I was thrown out from your world

Am C

I just got out from your back door

Am C

Suddenly my brightness became so bored

Am C

Maybe I just can't bright anymore

Am C

Yes I am ugly as much as I can be

Am C

And that was always a big part of me

Am C

You're dragging me down for what I am

Am

Maybe I never was what you planned

C G

Soon I'll be dead

Bm

My words in your head

G Gm D

Will now be a shadow

G D

All my feelings are broken

G riff 1...

Love just can't be spoken

C Am C

Am C

When was the last time your eyes saw me?

Am C

I don't remember, was I on my sleep?

Am C

You're dragging me down for what I am

Am

Maybe I never was what you planned

C G

Soon I'll be dead

D

My words in your head

G Gm D

Will now be a shadow

G D

All my feelings are broken

G D

Love just can't be spoken

G D

No use in pretending sorrow

G Riff1

Where will I be tomorrow
