(nesta música são usados muito os chamados Power Chords que são acordes maiores em travessão mas sem a parte baixo.)

INTRO G (desliza para) A
A (desliza para) Bm
Bm (desliza para) C
G (desliza para) A
Bm C

G A Bm C
You call yourself my friends

G A Bm C
You call yourself my buddies

G A Bm C
But I can't see where are you

G A Bm C
When I need you to shut up

Am C D
So shut up

F Am
Go and forget

C D
I will forget

F G
So shut up

F D

F

Because if you don't I'll

G

Kick your butt

A

Fuck you up

Bm

Rip and cut

C

Eat your guts

G

Bring you down

A

To the ground

Bm

Make the sound

C

Of teeth against the glass

G (desliza para) A

A (desliza para) B menor

Bm (desliza para) C

G (desliza para) A

Bm C

I'm tired of so much gossip

I can't stand any more objections to myself

Try to see, this shit doesn't matter to me

I'm just fed up by this stupid conversation

So shut up

Go and forget

I will forget

So shut up

Because if you don't I'll

Bring you down

To the ground

Make the sound

Of teeth against the glass
