Where Are You?
Silence 4
Intro:
E5 D#5 D5 C#m5 (3x)
F#11 E
F#11
 I had forgotten
                 F#
F#11
                       A11
                                             F#11
 How much it hurts being left out in the cold
                    E
 But still can remember
F#11
               F# A11
                                           F#11
 The promises you made up when you told me to go
  Don t be so bitter
                  F# A11
F#11
                                           F#11
 We will always be in touch . So naive of me
 You said you loved me
F#11
                             A11
                                                       F#maj7
 But can t figure what kind of love I really don t care
 I ll take what you have
Chorus 1:
E5 D#5
 Where are you?
   B11
         A11
 I need your presence
E5 D#5
 Where are you?
   B11 A11
 I feel so useless here
    D#5
E5
 Where are you?
  B11 A11
 My beliefs are fading
E5
   D#5
  Where are you?
     F#11 E
 Come to me
F#11
 Why do I care for
                   A11
 Such a cold-hearted soul? You re like a disease
 So why do I suffer
```

```
F#11
                       F#
                              A11
                                                     F#maj7
 If you re hanging around with the cure? I ll pay what you ask
 I really don t care
Chorus 2:
    D#5
E5
 Where are you?
    B11 A11
 Beauty queen, you re melting
     D#5
E5
 Where are you?
    B11 A11
 Liberty, you failed me again
E5
    D#5
 Where are you?
      B11 A11
 Can t you see I m lonely
   D#5
E5
 Where are you?
