```
Touch In The Night
Silent Circle
[Intro]
N.C. (x2)
Am F Dm G (x4)
[Verse 1]
              Am F Dm G
 Am F Dm G
    remember all the cries
      F
            Dm
                G
                           Am F Dm G
 It s a secret dream lost in your love
[Verse 2]
 Am F Dm G
                      Am F G E
 You, lonesome eyes are all I wanna know
        F Dm G Am F Dm G
 Helpless tears can never stop the rain
[Pre-Chorus]
                         G
Only you can turn my life, Can turn it just this way
[Chorus]
N.C.
             Am F Dm G
Am F Dm G Am F Dm
Touched in the night, So lucky in love
             Am F Dm G Am F
Lost in your light, Another secret
          Am F Dm G F G F G
Touched in the night, Whatever I do
[Interlude]
Am F Dm G (x2)
[Verse 3]
 Am F Dm G
                  Am F Dm G
 You, My angel in disguise
                          Am F Dm G
      F Dm G
Am
 Deep inside my heart, Like the inner light
[Verse 4]
 Am F Dm G
                       Am
                              F
      believe in all your promise and your lies
     F Dm G
                      Am F Dm G
 But I feel in the end I ll lose
[Pre-Chorus]
F
                         G
```

```
[Chorus]
N.C.
                Am F Dm G
                                     Αm
                                         F
                       It feels like heaven
Touch in the night,
                  Am F Dm G
                                     Am
                                            F
                                                    Dm
                                                             G
Touched in the night, So lucky in love
                                  (Tonight I feel, I feel for you)
                                            F
                                  (Tonight I call, I m calling your name)
                                           F
                                                   Dm
                                  (Tonight I feel, I feel for you)
                                      FGFGFG
                                   (Tonight)
[Instrumental]
Am F Dm G (x2)
[Pre-Chorus]
                              G
Only you can turn my life, Can turn it just this way
[Chorus]
N.C.
                Am F Dm
                                     Am
                          G
                       It feels like heaven
Touch in the night,
                  Am F Dm
                            G
                                    Am
                                            F
                                                    Dm
                                                              G
Touched in the night, So lucky in love
                                                              Touch in the
                                  (Tonight I feel, I feel for you)
                                     Αm
                                            F
                                                      Dm
                                   night
                                                                    Touch in
the
                                  (Tonight I call, I m calling your name)
                                     Am
                                            F
                                                    Dm
                                   night
                                                              Touch in the
                                  (Tonight I feel, I feel for you)
                                            F
                                     Am
                                                      Dm
                                   night
                                                                    Touch in
the night
                                  (Tonight I call, I m calling your name)
```

Only you can turn my life, Can turn it just this way

(Fade Out)
