**D**

If you got a message

**Dmaj7**

Leave your name and number

**G**

**Gm/D**

And we ll get back to you

**D**

Sleep on your back

**Dmaj7**

And ash in your shoes

**G**

**Gm/D**

And always use the old sense of the words

**D** **Dmaj7**  
 Your third drink will lead you astray  
**G** **Gm/D**  
 Wandering down the backstreets of the world  
  
**D**  
 On the last day of your life  
**Dmaj7**  
 Don t forget to die  
**G**  
 The things that you do  
**Gm/D** **D**  
 Will always make your mama cry  
  
**Dmaj7** **G** **D**  
 Well I know you got a lot of hope for the new men  
**Dmaj7** **G**  
 Well I know you got a lot of hope for the new men  
  
**D**  
 So you ve got no friends and  
**Dmaj7**  
 You wander through the night  
**G** **Gm/D**  
 And now you watch the sunrise through a rifle-sight  
**D** **Dmaj7**  
 Well don t believe in people who say it s all been done  
**G** **Gm/D**  
 They have time to talk because their race is run  
  
**D**  
 So get in some licks  
**Dmaj7**  
 And hold your head up  
**G** **Gm/D** **D**  
 And soon you ll be drinkin from that crystal cup  
  
**Dmaj7** **G** **D**  
 Well I know you got a lot of hope for the new men  
**Dmaj7** **G** **D**  
 Well I know you got a lot of hope for...  
**D**  
 so much hope for... so much hope for...  
**Dmaj7** **G**  
 so much hope for... so much hope for...  
**Gm/D**  
 ...to the new world  
  
**D** **Dmaj7** **G** **Gm/D**  
 I want hope for... I want hope for I want hope for...
