Every line on my face is from trying to erase her memory

Dm G C
Even though she s gone she s lingering on in my memory

F G C
With her strength to guide me the world was my own

Am Dm G
Now my spirit is broken my dreams have turned to stone

C Cmaj7 Dm G
And just when my day begins going alright I wake calling her name alone in the night

C Cmaj7 Dm G
Every line on my face is from trying to erase her memory

Dm G C
Even though she s gone she s lingering on in my memory

C Cmaj7 Dm G
Every line on my face is from trying to erase her memory

Dm G C
Even though she s gone she s lingering on in my memory

F G C
Her image inside me brings back all the years

Am Dm G
That she needed and held me and shared all my fears

C Cmaj7
Echoes of laughter remain in the air

Dm G
I stare into the fire pretending she s there

C Cmaj7 Dm G
Every line on my face is from trying to erase her memory

Dm G C
Even though she s gone she s lingering on in my memory

C Cmaj7 Dm G
Every line on my face is from trying to erase her memory
