Your eyes perspired,
C C11
a spike in my fascination

Fm Cm
I don t mean to make you cry
D#/B G Fm
But this feeling will run right through the night
Cm Gm G
And I ll only make you cry with these feelings

Fm Bb
Across the night
Gm G#
It was the moon that stole my slumber
Fm Bb
Across the night
Gm G#
I fell in love with people sleeping
Fm Bb Gm G#
Across the night, Across the night
Fm Bb D G#
Across the night, I hugged a mans arthritic shoulders

(**C Bb F**) (3x)

C C11 C
Sleepless, untamed without a leash on the light around me

Fm Cm
I don t mean to make you cry

But this feeling will run right through the night

And I ll only make you cry with these feelings

Across the night

It was the moon that stole my slumber

Across the night

I fell in love with people sleeping

Across the night, Across the night

Across the night, I hugged a mans arthritic shoulders

I hugged a mans arthritic shoulders

So let us be married and have another baby

Coz I don t wanna be lonely I just wanna be alone

Yes let s just get married shouting baby, baby, babies

You ll never sleep at all

But I don t wanna be lonely

(A C# A/E C#/F F#m F#m7 D G# D C#)

Never seen the sunshine

From higher points that sunrise

But I don t Wanna be lonely

I just wanna be alone
