Silverstein " Call It Karma

[Verse]

Cadd9

Blame it on the weather

Em

But I m a mess

Cadd9

Cmaj7

Em

G

And this February darkness, has me hating everyone

Cadd9

Cmaj7

Em

G

And I know I need your comfort, but this drama makes me sick

Cadd9

Cmaj7

Em

G

And the longer I lay here, I know it s harder to get up without you

[Pre-chorus]

[**C Em C Em G**]

C **Em**

Lose another day here

C **Em**

Lose another year here

G

I m with you

[Verse]

Find me something out there, that s making sense

And it s just another trend carefully hidden in your dress

And the cycles neverending, and the fashions overdone

And the further that I run away, the further I ll come back to shelter

[Pre-Chorus]

[Chorus]

C **Em** **G**

You are the fire, on my apartment floor

C **Em** **G**

Sixteen stories, I d rather burn then fall

C **Em** **G**

It isn t fate, that took us all by storm

C **Em** **G**

It s just the turn of a card
