in the air turning

When I wake up from this

dream shivering under cold sheets  
                 **Bbm**                    **F#**  
Ten thousand mile away

I wish I was on King street

my heart when you re nearby

                 **F#**

                 **Bbm**  
snow fall and think  
**C#**  
If these walls could tell the  
**Bbm**                                    **F#**  
tale and excuse to no avail

me again to forgive me now
