

Departures
Silverstein

Capo 1
Standard Tuning

[Intro]

Am

[Verse]

Am G F
I m dying here before your eyes inside of darken circles
C Am G F C
I m afraid of savage things I fought to keep away
Am G F C Am
Before I found out just what I found that I knew you d become
G F G# G
Now you know the things I m running from...

[Chorus]

C
You could help me hide
F Am
In the places I once lived and lost the one
G# G C
Now you know the things I m running from...
F C
Now you know the things I m running from...

[Verse]

Am G Csus4 F
You re killing me kid, but I know your intentions are good
Am G F
I read what you wrote out, asked me to slow down, I should
Am G Csus4 F
I think you re trying to make it seem like it never could ve meant enough
Am G F
But what I m hearing you say is that you re running away cause it meant too
much
Am G Csus4 F
So this isn t easy, I know the weather here number is best
Am G F
San Francisco got cold as I read your note walking van next to Oak
Dm C
You said I guess I ll be home soon but things will be different I m sure
F Fm
So I thought that you should know if things are gonna change when you come home
Am
Maybe this time don t...
