LyRiCs:

The drugs begin to peak
 A smile of joy arrives in me
 But sedation changes to panic and nausea
 And breath starts to shorten
 And heartbeats pound softer
 You won t try to save me!
 You just want to hurt me and leave me desperate!

You taught my heart, a sense I never knew I had.
I can forget, the times that I was
Lost and depressed from the awful truth
How do you do it?
You re my heroine!

You won t leave me alone!
Chisel my heart out of stone, I give in everytime.

You taught my heart, a sense I never knew I had
I can forget, the times that I was
Lost and depressed from the awful truth
How do you do it?
You re my heroine!

I bet you laugh, at the thought of me thinking for myself. (myself)
I bet you believe, that I m better off with you than someone else.
Your face arrives again, all hope I had becomes surreal.
But under your covers more torture than pleasure
And just past your lips there s more anger than laughter
Not now or forever will I ever change you
I know that to go on, I ll break you, my habit!

You taught my heart, a sense I never knew I had.
I can forget, the times when I was
Lost and depressed from the awful truth
How do you do it?
You re my heroine!

I will save myself!
