And breath starts to shorten

**C** **D**

And heartbeats pound softer

**Em** **C** **D**

You won t try to save me!

**Em** **C** **D**

You just want to hurt me and leave me desperate!

**C**

**D** **Em** **Em7**

You taught my heart, a sense I never knew I had.

**D** **Em** **G**

I can t forget, the times that I was

**C** **D** **Em**

Lost and depressed from the awful truth

**Em7** **C**

How do you do it?

**D**

You re my heroine!

**Em** **C** **D**

You won t leave me alone!

**Em** **C** **D** **C**

Chisel my heart out of stone, I give in everytime.

**D** **Em** **Em7**

You taught my heart, a sense I never knew I had.

**D** **Em** **G**

I can t forget, the times that I was

                  **B**                    **Em**                    **D**                    **C**  
 I bet you believe, that I m better off with you than someone else.
