Bridge:

**F#m A Bm**

I m not so confident

I m gonna be the one

Who takes the next step

**F#m**

I m a cyclone

**A Bm**

passion overblown

Tied to the tides that

**D F#m**

pull me in the undertow

Where the wind blows

**A**

Is where my body s

**Bm D (hold)**

thrown And I can t fight it

**F#m**

Maybe we should

**A** **Bm**  
walk away from this  
Take our proverbial

**D**  
walk into the sunset

**F#m** **A**  
Maybe we are destined  
**Bm**

to be different  
We were designed for

**D** **F#m**  
more resilience than this

But we don't know how

**A** **Bm**  
and we live in the now  
If we were smarter maybe

**D**  
we would try to fake it  
**F#m**

Maybe we should

**A** **Bm**  
walk away from this

**D**  
And stop being ourselves  
C#--

Just stop being yourself  
If you want to be happy
