Intro:

**Em**  
A side of temperance  
an appetite for excess  
I m burning down  
like your cigarette

Verse 1:

Shane Told : Growl  
**Em** **D**  
You had me at goodbye  
**C** **Em**  
I loved to see  
you slip away  
**D** **C**  
Staring at a car crash

Josh Bradford Sings backup:  
You had me cornered  
I lived to watch you  
I enjoyed captivity

Shane Told: Sing

**Em**

We kill at weddings

**D**

**Em**

and live for funerals

We re taking steps on

**D**

**C**

the water just to show

Shane Told: Growl

**C**

**Bm**

**C**

We do whatever we want to

Chorus 1: Growl

**Em**

**C**

How Did I forget

**B C Em**

who I was

**C**

**Bm**

Did I forget just

**C**

**Em**

where I came from

**C**

**Bm**

**C**

**Em**

Did I just lose who I am

**C**

**Bm**

This is the line I

**C Em**

stand A feast of

apathy a shot of angst

Verse 2:

Shane Told: Growl

**Em**

**D**

**C**

I carried you away

**Em**

I dropped you in the gutter

**C**

**C**

Just to watch you scream

Josh Bradford: Sings Backup Growls

I brought you to safety

Taking all your blame

Hid you and protected

Shane Told: Sing

**Em**

We save with violence

**D**

**Em**

and lie with eloquence

We re turning wine into

**D**

**C**

water with abhorrence

Shane Told: Growl

**Cm**

We ll save whoever

**Em**

we want to

Chorus 2: Growl

**Em**

**C**

How Did I forget

**B C Em**

who I was

**C**

**Bm**

Did I forget just

**C**

**Em**

where I came from

**C**

**Bm C Em**

Did I just lose who I am

**C**

**Bm Em(hold)**

This is the line I stand

Breakdown: Melody became softer

F#m-A-Bm--

Bridge:

**Em**

**G**

**Am**

I m not so confident

I m gonna be the one

Who takes the next step

**Em**

I m a cyclone

**G**

**Am**

passion overblown

Tied to the tides that

**C**

**Em**

pull me in the undertow

Where the wind blows

**G**

Is where my body s

**Am**

**C**

(hold)

thrown And I can t fight it

**Em**

Maybe we should  
**G** **Am**  
 walk away from this  
 Take our proverbial  
**C**  
 walk into the sunset  
**Em** **G**  
 Maybe we are destined  
**Am**  
 to be different  
 We were designed for  
**C** **Em**  
 more resilience than this

But we don't know how  
**G** **Am**  
 and we live in the now  
 If we were smarter maybe  
**C**  
 we would try to fake it  
**Em**  
 Maybe we should  
**G** **Am**  
 walk away from this  
**C**  
 And stop being ourselves  
 C#--  
 Just stop being yourself  
 If you want to be happy

Chorus 3: Growl

**Em** **C**  
 How Did I forget  
**B C Em**  
 who I was  
**C Bm**  
 Did I forget just  
**C Em**  
 where I came from  
**C Bm C Em**  
 Did I just lose who I am  
**C Bm Em**  
 This is the fine line I stand  
**C Bm Em**  
 This is the fine line I stand  
**C Bm(hold)**  
 This is the fine line I
