

The Cross Of Christ
Simon Brading

[Verse 1]

C **G** **Am** **Em**
To Your knees You fell, in Gethsemane alone
C **G** **Am** **Em**
Weak and overwhelmed, yet cried "not my will but Yours"

[Verse 2]

C **G** **Am** **Em**
Twisted crown of thorns, You were crucified and cursed
C **G** **Am** **Em**
Drank the cup in full, bore the horrors I deserved

[Pre chorus]

C **D**
This saving blood is life to me
Em **Am**
This perfect love paid everything

[Chorus]

C **Em**
All of my failings Jesus has taken
G **D**
With open arms at Calvary
C **Em**
Oh what a Saviour! Sing hallelujah!
G **D**
With open arms I stand in awe

[Verse 3]

C **G** **Am** **Em**
All my shameful thoughts, foolish choices that I've made
C **G** **Am** **Em**
Were hammered to that cross, You said "I will take the blame"

[Verse 4]

C **G** **Am** **G**
Sing aloud my soul, for my hope is in this Man
C **G/B** **Am** **G**
Death has been destroyed and eternity is mine!

[Chorus]

C **D** **Em** **D/F#** **G** **D**
Oh what a Saviour! Sing hallelujah! With open arms I stand in awe
C **D** **Em** **D/F#** **G** **D**
Oh what a Saviour! Sing hallelujah! With open arms I stand in awe
